Additional Clarification	
Unless otherwise indicated, the “state alcohol law enforcement agency” refers to the Department of Behavioral Healthcare, Developmental Disabilities and Hospitals (BHDDH). RI does not have an “Alcohol Beverage Control”-type enforcement agency. BHDDH uses federal funds, which are allocated to local police departments, to support conducting an alcohol purchase survey, and compliance checks of a random sample of on- and off-premise alcohol retailers. The survey is conducted by local law enforcement agencies. BHDDH also provides some funding to local law enforcement agencies for underage sales compliance activities.	

¹ Or having consumed or purchased per state statutes.

² Underage compliance checks/decoy operations to determine whether alcohol retailers are complying with laws prohibiting sales to minors.

³ Excluding special licenses such as temporary, seasonal, and common carrier licenses.

⁴ Does not include fines imposed by local agencies.

⁵ Does not include suspensions imposed by local agencies.

⁶ Does not include revocations imposed by local agencies.

Underage Drinking Prevention Programs Operated or Funded by the State

Enforcing Underage Drinking Laws (EUDL)

Program serves specific or general population	General population
Number of youth served	225
Number of parents served	No data
Number of caregivers served	No data
Program has been evaluated	No
Evaluation report is available	Not applicable
URL for evaluation report:	Not applicable
URL for more program information:	No data

<p>Program Description: A statewide advisory committee with public education, law enforcement, and youth subcommittees and a statewide youth committee. The advisory committee develops statewide environmental strategies for implementation in local communities. The advisory committee also advises the department on policies related to underage drinking. The advisory committee works closely with local, municipal coalitions and with local and state law enforcement and collects enforcement data and develops and implements statewide public education campaigns.</p>	
<p>Rhode Island Substance Abuse Prevention Act (RISAPA)</p>	
Program serves specific or general population	General population
Number of youth served	Not applicable
Number of parents served	Not applicable

<p>URL for more program information: http://riprc.org/prevention-providers/substance-abuse-prevention-providers</p>	
<p>Program Description: RISAPA is legislation that enables the funding of municipal substance abuse prevention task forces/coalitions—35 coalitions represent all of the state’s 39 cities and towns. Each coalition produces an annual program plan and logic model. For the past few years, all of the coalitions have implemented strategies to reduce underage drinking; included among these strategies are local policy initiatives (environmental strategy) and public education. Number of individuals touched by these activities is not routinely collected.</p>

Additional Clarification	
The state funds Student Assistance Programs (SAPs) in a number of middle and high schools and has a school-based prevention initiative. SAPs and the school-based initiatives work to prevent underage drinking, but are not funded expressly for this purpose. The state uses federal dollars to support alcohol compliance surveys and activities; these are carried out by local law enforcement.
