Underage Drinking Prevention Programs Operated or Funded by the State

I Won't Be the One

Program serves specific or general population	Specific population
Number of youth served	No data
Number of parents served	No data
Number of caregivers served	No data
Program has been evaluated	No
Evaluation report is available	Not applicable
URL for evaluation report:	Not applicable
URL for more program information:	No data

Program Description: I Won't Be the One is a media campaign that seeks to limit social access of alcohol to underage youth. I Won't Be the One raises awareness of the consequences of underage drinking and of the legal consequences of providing alcohol to underage youth. It seeks to change the norm that underage drinking is a rite of passage and is okay as long as youth don't drive and drink.

Alcohol Compliance Checks

Program serves specific or general population	Specific population
Number of youth served	No data
Number of parents served	No data
Number of caregivers served	No data
Program has been evaluated	No
Evaluation report is available	Not applicable
URL for evaluation report:	Not applicable
URL for more program information:	No data

Program Description: Alcohol compliance checks are a type of environmental prevention that aims at reducing retail availability of alcohol to underage youth. Law enforcement officials supervise undercover youth who attempt to purchase alcohol; if the attempt is successful, the establishment is cited and penalized.

Responsible Beverage Server (RBS) Training

Program serves specific or general population	Specific population
Number of youth served	No data
Number of parents served	No data

Number of caregivers served	No data
Program has been evaluated	No
Evaluation report is available	Not applicable
URL for evaluation report:	Not applicable
URL for more program information:	No data

Program Description: RBS training teaches alcohol retail clerks, bartenders, and servers of alcoholic beverages how to verify authenticity of an ID and how to refuse service if the client appears intoxicated. It also educates participants on the health consequences of excessive alcohol consumption. We are currently conducting a readiness assessment to gauge the level of support for a statewide RBS law.

Social Host Ordinance

Program serves specific or general population	Specific population
Number of youth served	No data
Number of parents served	No data
Number of caregivers served	No data
Program has been evaluated	No
Evaluation report is available	Not applicable
URL for evaluation report:	Not applicable
URL for more program information:	No data

Program Description: Social host liability is created by a statute or case law that imposes liability on social hosts as a result of their serving alcohol to adults or minors. Persons subject to social host liability in criminal and civil actions are frequently those who provided alcohol to the obviously intoxicated or to minors who subsequently are involved in vehicle crashes or other activities causing death or injury to third parties, but these are not necessary conditions. A social host is most often a private individual who serves alcohol in a noncommercial setting.

Party Patrols

Program serves specific or general population	Specific population
Number of youth served	No data
Number of parents served	No data
Number of caregivers served	No data
Program has been evaluated	No
Evaluation report is available	Not applicable
URL for evaluation report:	Not applicable
URL for more program information:	No data

Program Description: Party patrols are enforcement initiatives conducted by law enforcement officers who, acting on tips, break up parties and cite youth for possession of alcohol.

Social Norms Campaign

Program serves specific or general population	Specific population
Number of youth served	No data
Number of parents served	No data
Number of caregivers served	No data
Program has been evaluated	No data
Evaluation report is available	No data
URL for evaluation report:	No data
URL for more program information:	
http://www.jsad.com/doi/abs/10.15288/jas.2006.67.880	

Program Description: Underage drinking social norms campaigns are media campaigns that seek to change the preconceptions and beliefs of the target population with regard to underage drinking. Local data are used to craft messages that illustrate the actual extent of underage drinking, as opposed to the commonly assumed level of consumption, thereby deflating the commonly held belief that everybody does it.

Alcohol Prevention Enhancement Site (PES)

Program serves specific or general population	No data
Number of youth served	No data

Number of parents served	No data
Number of caregivers served	No data
Program has been evaluated	No data
Evaluation report is available	No data
URL for evaluation report:	No data
URL for more program information:	http://www.kyprevention.com

Program Description: The Alcohol PES is more of a resource than a program but it helps communities implement environmental strategies such as RBS, keg registration, and social host liability. The Alcohol PES has been in existence for over 15 years.
