Additional Clarification

The Oklahoma Alcoholic Beverage Laws Enforcement (ABLE) Commission regulates and has criminal and administrative jurisdiction over alcoholic beverages. It has no authority over low-point beer. Under specific, narrow circumstances, ABLE has taken action against some low-point beer violations. These violations are included in the data. Generally, low-point beer is the responsibility of local authorities.

Question #1.A.2—The term "regularly" is not defined. The ABLE Commission may conduct Cops in Shops, Shoulder Tap Operations, and Party Patrols if the opportunity presents itself and often in conjunction with local authorities. The ABLE Commission does not compile data from local authorities.

Part 1.A.3—The provided data exclude compliance checks.

Part 1.B.1.a—The data include ABLE licensees only; exclude low-point beer establishments.

Part 1.B.1.b and c—The data include those sites in which the ABLE Commission assisted local authorities at low-point beer establishments.

Part 1.C—The data requested do not reflect criminal convictions and dismissals.

Program Description: The 2M2L Youth Leadership Initiative encompasses school-level clubs, a State Youth Council, and youth leadership development. 2M2L clubs are youth-led groups at the local level that implement environmental strategies to change the way their community perceives alcohol advertising, youth access to alcohol, and social norms that contribute to underage drinking. With guidance from adult allies, youth leaders educate and inform their peers, adults, and community members about social attitudes pertaining to underage drinking. In addition, the youth often partner with local law enforcement in conducting alcohol compliance checks and other activities. The State Youth Council consists of 8 to 10 members who are nominated, interviewed, and selected annually. Council members work hand in hand with the established clubs in their schools or community and engage other youth throughout the state to help them implement environmental prevention strategies (i.e., local ordinances, compliance checks, media advocacy). The Council helps lead and plan an annual 2M2L Youth

Leadership Academy and 2M2L Youth Leadership Kickoff. The Academy helps develop leadership skills and increase knowledge about underage drinking prevention and is designed to train club leaders on the environmental prevention model, leadership/team building, and action planning.
