

# STOP 2015 Survey Part 2, Section D Expenditures

## Part 2, Section D: State Expenditures for Underage Drinking Prevention Acti...

This part requests estimates of the funds expended annually by your state specifically for the prevention of underage drinking under a variety of headings specified in the STOP Act.

For each activity or program listed on the following pages, please provide an estimate of the STATE FUNDS your state expended during the most recent year for which complete data are available. Please DO NOT include federal, local or private funding sources.

If your state does not have access to relevant data, please check "These data are not available in my state."

Please Note: The STOP Act requires the Secretary of HHS to report per capita expenditures. The calculation of per capita rates will be made during the analysis of the survey using census data.
